MEMORANDUM FOR CHAIRMAN, DIRECTOR OF CENTRAL INTELLIGENCE  
SECURITY COMMITTEE

SUBJECT: Security Committee Participation

Since August 1978, Mr. Maynard C. Anderson has represented this office as an observer of activities of the DCI Security Committee. Participation with the Security Committee in an observer status has been most beneficial to the Office of the Secretary of Defense.

Review of progress of activities of the Security Committee has resulted in recognition of significant and important accomplishments of the Committee; an increased level of interest in and results of its actions, as well as plans for the future that will have a greater and more progressive impact on the Intelligence Community.

In keeping with the level of interest that I and my office maintain in all aspects of the Intelligence Community and in support of the efforts of its many organizations, I propose that my representative's status on the Security Committee be changed from that of observer to voting member and that Mr. Anderson be accredited to the Committee in that status.

  
Daniel J. Murphy  
Admiral, USN (Ret.)
